There is no joy like the joy found in serving Jesus! Our lives are so full, and we are thankful to have the privilege of serving the Lord in this part of the world.

Much has happened since our last letter. My mom was able to come for a 3 week visit, and that did our hearts good! During her visit, I was able to baptize Eden. She did a wonderful job sharing her salvation testimony before the church. We are grateful to see the Lord working in her heart. We also got to share our exciting news- God has blessed us with another baby! Our first Aussie baby is due to arrive around Christmas. Mom and baby are both doing well. God answered several very specific prayer requests and has led us to a wonderful midwife.

Now that our student visa is secured for the next year, we have begun taking steps toward starting a church plant. We are beginning with a Bible study in our home. Please pray that God will give us an open door to share the gospel with those we encounter, and that they will join us as we seek to establish this study. Nepean Baptist Church is such an encouragement and help to us as we begin this process. We will have several church members joining in on the Bible study to encourage the newcomers.

It has been a very busy time as we serve the Lord at Nepean. We just finished revival services and a big community outreach event- the Grand Prix! The Lord greatly blessed these meetings. I will be attending a neighboring church's young adult summit with a group from our church. God has blessed Nepean with a solid group of young people who desire to serve the Lord. It is a joy to us to get to encourage them in any way we can.

We are still praying for Nepean's sponsorship to be approved so we can work towards a long-term visa. In the meantime, we have been able to secure several things that make us feel more permanent such as driver's license and a bank account. It is good to put down roots in the land we are quickly falling in love with.

Brettnay and I have been working on a project that just launched through her ministry with No Higher Calling. We just released the Children of Character Cards. These are a set of cards that have a godly character trait for every letter of the alphabet. We emphasize what God's Word teaches regarding these character traits. We are praying that God will use this to impact the next generation with integrity and the truth of Scripture. They are available at nohighercalling.org/shop

As always, we are so grateful for your prayers and support!
