October 2023 Prayer Letter

We cannot thank our supporters enough for all the prayers and encouraging messages we received letting us know that you were praying for the launch of Living Waters Baptist Church. The Lord has been richly blessing the ministry here!

October 8th was our inaugural Sunday. We had a large group come from our sponsoring church to encourage us, but we had a visitor who had received our church invite through the efforts of our Saturday Gospel outreach. She has since attended another service and seems to really enjoy the hymn singing and Christ-centered preaching. Another highlight of our first Sunday happened later that afternoon. I received a call from a lady who had received our tract the day before. She was searching, and long story short, I was able to lead her to Christ over the phone! We praise God for Carol's salvation. Please join with our children in praying that God will bring young families with children to our church and Kid's Club!

We sent out a special prayer update several weeks back giving more details on our visa situation. Thank you to everyone who has encouraged us through prayer and/or financial support! We were able to file for the employment visa this week. Pray that will get approved quickly so that we can be free to invest more of our time into the ministry work in Parramatta.

Brettnay and I have teamed up in much of her work with No Higher Calling as God expands our vision to encourage and equip families to pass truth to the next generation. We saw the podcast cross 200K downloads last quarter! Brettnay has also been able to make several new resources available at www.nohighercalling.org such as a devotional for moms & toddlers, and more.

This is a busy time as we not only wrap up the year and enter the holiday season, but also as we prepare for the arrival of our baby. Brettnay is due on December 26th- just a few short weeks away! We praise God for the measure of health she and baby have had thus far. We appreciate your prayers for a smooth delivery. It's a bit different working out logistics of things like this when you do not have family near by, but we are trusting God to work in each detail.

Our children continue to grow and enrich our lives. We are so blessed to have their help as we minister here in Australia.

Simeon, Brettnay, Eden, Knox, Ivy & Willow Brazzell
