We hope that you received our video update regarding Living Waters Baptist Church's first anniversary. If you did not, you can watch it [here](#). God is at work in Parramatta, Australia! Many prayers have been answered over the past few months.

-2 salvations: On October 11th, our daughter Ivy trusted Christ as her Saviour. She has been asking questions for a while, but she came to us that morning and said "I need to be saved because I am a sinner." She said the clearest, simplest prayer acknowledging her sin and asking Christ to forgive her. We have also been praying for a young lady in our church, Cielo. God has given us several opportunities to share the gospel with her, but we were waiting for the Holy Spirit to put all the pieces together in her heart. She trusted Christ as her Saviour on September 29th.

-Our trip to Colorado was such a blessing! We were able to spend the first week with some of Simeon's family. The second week, we were with Colorado Springs Baptist Church for their missions conference. Our hearts were encouraged. The people had such an enthusiasm for missions work around the world. We returned to Australia recharged!

-October has been missions month at LWBC. Though our church plant is small, we desire to let God use us to be a worldwide blessing. Several people have committed to faith promise missions giving, and we plan to take on our first Australian missionary family for financial support soon.

-We continue our letterboxing efforts each Saturday as we gather for outreach. We have passed out over 27,000 tracts this year getting the gospel into homes in Parramatta and surrounding suburbs. We have two or three more suburbs to canvas, then we will begin again knocking on each door.

Sydney, Australia is currently in the spring season. Our children are excited to be wrapping up their final weeks of homeschooling before they take their summer holiday. We will kick off summer with a family camping trip which we are all looking forward to!

One of the amazing things about what we do is that we have an extensive prayer base. As we have travelled literally around the world recently, it was so evident that God's people have been holding us up in prayer. We could never express what a blessing that is to our family and how it boosts our confidence in the Lord as we move forward for Him. Thank you.
