December 2024 Prayer Letter

Merry Christmas and Happy New Year! As we reflect on 2024, God's blessings have been abundant. We have seen spiritual growth in our family and in our church family. Psalm 90:17 was our prayer for this year. "And let the beauty of the Lord our God be upon us; and establish thou the work of our hands upon us; yea, the work of our hands establish thou it."

If you remember, back in June, we had an unexpected challenge for our family. We had to move homes with very little notice or time to find a new place to live. The housing market in Australia is very expensive and in very high demand. Finding a home quickly is close to impossible. But not for our God! We found a place and settled in. They were only willing to sign a seven month lease, but it was the open door God gave us. Here we are seven months later, and we are having to move again. Praise the Lord for already providing us a new home! There is plenty of space for our large family and much more yard space for our children. This is a huge answer to prayer! We will move mid-January. Moving is a daunting task, especially with five young children. We would appreciate your prayers as we transition.

Living Waters Baptist Church is thriving. We have had multiple visitors over the past few weeks. Our people are growing in their walk with the Lord. At the end of November, Brettney hosted our first Ladies Christmas Brunch. It was a huge success with 23 ladies in attendance! The gospel was clearly presented. A few weeks later, the children's Sunday school class presented Christmas hymns and Scripture they have been memorizing.

We continue our outreach efforts in Parramatta and the surrounding suburbs. There are two more suburbs we still have to canvas. Once those are complete, we will have put a gospel tract into the letterbox of every home in Parramatta and the surrounding areas. Next year, we will begin again but will be knocking on every door, seeking to have opportunities to share the gospel face-to-face.

We are thankful for the location God has given us to meet in for services. A worker on the events team, Jake, has been a huge help to us. He is always waiting to help us carry in things on Sundays. We were able to give him and his family a Christmas gift from the church. Pray for his salvation. We are praying that God will provide a more permanent location for us in the coming year. Thank you for your prayers for our family and ministry.
