The past few months have been full of answers to prayer and God's blessings! We are thrilled to send you this update on how God is using our ministry in Australia.

· At the first of February, Brettney started a monthly Bible study with the ladies of our church. We had twelve women in attendance and have received wonderful feedback. We have ladies in a broad variety

of ages and life stages, so they are studying through Evangelist Scott Pauley's book on the life of Joseph. Brettney is praying that God will use this to help each of our ladies live their lives with a conscious awareness of the presence of the Lord.

· Brettney and I have the opportunity to meet weekly with a couple for discipleship. It has been encouraging to see them grow and ask questions. Pray that these opportunities will bear much fruit in their lives as they walk with the Lord.

· We had our first young adults event for LWBC. Eighteen people attended, two of which were visitors! It was a great time of fellowship, pizza, homemade soft pretzels, and board games.

· We wrapped up February with our church's first baptism service. Our daughter, Ivy, and a teenage girl from our church were baptized. Both gave clear, beautiful testimonies of how they accepted Christ as their Saviour. We had a great turnout for the baptism, and the teen girl brought many of her family members. Pray for this family as most of them do not know the Lord.

· For the past several months, we have had a visitor attend our Sunday service almost every week. This has been a blessing! Seven of those visitors have become regular attenders.

This is a special time of year in Australia. For us, summer is coming to a close and regular schedules are back in place. This means more consistency from our church members as holidays and vacations are over. People also seem excited to attend events like young adults or Bible study because other fun things are slowing down as we settle in for autumn.

Our family is enjoying getting back into normal rhythms. Brettney and the children have started a new homeschool year. The Lord is giving me many opportunities to connect with people as I'm in the city sharing the Gospel.

Thank you for your prayers! God is at work!!
