In Matthew 16:18, Jesus Christ says that He will build His church. We have been so encouraged to watch God build His church at Living Waters. Since our last letter, we have added several new faces to our congregation. Thank you to all those who prayed for Aime to have a safe delivery. She had a beautiful baby girl, Gabriella. She is our littlest member at present. God has also brought along a young lady from India who is a student here. She is hungry for God's Word and fellowship with other believers. At the same time, God brought along a couple from Brazil and their toddler son. We would never have thought when starting out that our church in Australia would have such diversity in ethnicity, but it is a beautiful gift! We praise the Lord for these new people and are encouraged to see our church grow.

We have just come through birthday season for our family! Willow turned three mid-May, Ivy turned five at the beginning of June, and Brettney celebrated her birthday mid-June. God is so good to give us continued life, health, and strength!

Your prayers are greatly appreciated as we enter what might be our busiest season of ministry yet! July will be a full month. The first weekend in July, we have a group from Pensacola Christian College coming to help us with our tracting outreach and lead in our Sunday service. The following weekend, we will be hosting Andy and Breanna Williams as they are on deputation raising support to go to the UK. Our church is excited to hear about their burden and join with them in reaching that part of the world with the gospel. The day after they leave, we have a group of thirteen coming from Worth Baptist Church in Texas for a missions trip. While they are here we will host our church's first Holiday Bible Club (what Aussies call Vacation Bible School). This is a huge undertaking for our little church, but we are praying that this will give us an opportunity to reach more families and children in our community. The group will also help us with mass tracting in the city. We hope to accomplish much for the sake of the gospel while they are here. Join us in praying for these special outreach efforts. Pray that God will give us favor with people and that many conversations can be turned to Christ!

Your prayers, encouragement, and financial support are a blessing to our family as we serve the Lord here in Parramatta, Australia! Thank you!
