July was a very special month for our church! We hosted groups from Pensacola Christian College and Worth Baptist Church in Texas. The group from PCC was only with us for a weekend, but it was a delight to get to know them and serve the Lord with them that weekend. The group from WBC came on a missions trip and were able to help us pass out around 5,000 tracts, host a Holiday Kids Club (VBS) where we had 27 children attend and one young lady accepting Christ as her Savior, and minister to our church through music and preaching. They were also a huge blessing to our family as we were able to reconnect with friends and make new friends!

Since our last letter, we had a young adult lady, Anisha, trust Christ as her Savior! We also had our son, a young girl, and a young adult lady follow Christ in baptism. Several people that came to the baptism were unsaved. The gospel was clearly presented, and we are praying the seed will produce a harvest!

Between our two groups from the States, we were able to host Andy and Breanna Williams. Breanna grew up on the mission field here in Australia, and God has led them to do missions work in the UK. They are on deputation, and our church is excited to take them on as our first financially supported missionaries!

It has truly been a winter season full of blessings and answered prayer.

My wife and I are both continuing to disciple some of our new believers on a weekly basis. Watching these individuals grow in their understanding and relationship with Christ has been such a joy!

August has been a bit slower for us, but we are gearing up for a busy spring! One of the young ladies from the PCC group, as well as a young lady from a church in Ohio, will be staying with us for several weeks as they experience missionary life and help us in our church plant. September has us participating in several inter-church youth activities. In October, we will celebrate our church's 2nd anniversary and missions month.

It's hard to believe we have lived here for over 2.5 years. Our family has settled in, and Australia has truly become home for us. We are so thankful for the opportunity to serve the Lord in this country. That is possible because of you! Thank you for every prayer, every dollar sent, every email encouraging us- the fruit we reap is to your account! I Samuel 12:24 "Only fear the LORD, and serve him in truth with all your heart: for consider how great things he hath done for you."
