November 2025 Prayer Letter

We apologize for the slight delay in our prayer letter. The past few months have been very full, and we are excited to share all that God is doing here in Australia!

September held several large events as we joined with our sponsoring church in a young adult's Amazing Race challenge and the annual local Youth Rally. Both events were well attended by our young people. At the end of the month, we welcomed two

young ladies from the States who came to help us in our ministry. They have been with us for the past six weeks and have been such a blessing. They had opportunities to go tracting, spend time with our people, host a ladies' night, teach the children's Sunday School, and do many behind-the-scenes jobs as we celebrated Missions Month in October. We always love the opportunity to encourage young people as they seek God's direction for their lives!

October was a month full of ministry! We kicked off the month celebrating our church's 2nd anniversary. This was a day of reflection on all the many prayers God has answered! As we emphasized missions, we were able to have a missionary friend, along with our supported missionaries, Andy and Breanna Williams, livestream in and preach the service. The month ended with our International Missions Dinner. We regularly have around 35 attendees at LWBC, and at least 12 nationalities are represented. This made for a delicious feast! Our members were encouraged to invest in missions through faith promise. We are excited to see how God will use our young church to be a worldwide blessing.

Join us in praying for our new friend, Jack. He is new to Parramatta and met one of our men in the elevator where we have church. Jack was there to visit the library, but decided to come along to church when invited. He stayed for the entire service, and has been coming faithfully ever since. He is a middle-aged man from China who has an open heart and is searching for truth. I have had several opportunities to share the Gospel with him. Please pray for his salvation, and for clear understanding as we navigate language challenges.

In January, we will hit the 3-year mark of living here in Australia. Our immigration attorney has informed us that we are able to begin the process of applying for permanent residency. This would afford us many benefits as well as secure our stay in the country. Please pray for us as we gather documentation and correspond with the government. Also, pray for us as we raise the funding to cover this expense. We are looking at around \$20,000 AUD (\$13,000 USD) to cover the application fees for our family, along with other expenses and fees included. God has always provided every need we've had, and we have expectant hearts to see how He will provide for this! As always, your prayers and support are the biggest blessing!
