"Reaching Australians with the Gospel and teaching them to observe all things Christ has commanded us to do."

April 2026 Prayer Letter

God has our family and church in a sweet season of seeing so many answers to prayer! This has been a continual blessing to us and has encouraged our church to trust God for greater days ahead! We have much to share in this update!

- It was a joy to baptize one of our young men, Joshua. He was saved a few months back and has since expressed a great desire to be the man, husband, and father God desires him to be. I disciple him weekly, and he is growing so much. He is burdened for his lost family. Many of them came to his baptism, and after the service, his younger brother, Ben, trusted Christ as his Saviour! Please pray for the rest of Josh & Ben's family who do not know Christ.
- Through a unique set of circumstances that are all the clear work of the Lord, God has brought us a young Australian man for me to mentor and train in ministry work. Nic has been a constant help and blessing to our church. We often go letterboxing (tracting) together throughout the week. Last week, we met a lady named Mary. She has a Buddhist past and was searching for the Truth. After over an hour of answering her questions, she placed her faith in Christ. Another soul for the kingdom!
- We praise the Lord that we have been able to raise almost all of the funds needed for our permanent residency application. This is a huge burden off our shoulders. God is always so faithful to provide! Please do continue to pray, we've hit a few small snags with our sponsoring church's approval which has delayed us submitting our application. We could hear any day that it has been resolved, and we can move forward. Pray that happens sooner than later, and that we are granted PR quickly.
- I had the opportunity to speak about church planting and encourage other Aussie pastors in this area at the Selah Conference hosted by Pastor Hernan Hullana at Good Shepherd Baptist Church in Brisbane. I also left refreshed and excited to continue to reach souls in Parramatta. God is at work in Australia!
- Our family is getting very excited about the soon arrival of Baby #6. Brettney is due at the end of May, so only a few weeks left. We praise the Lord that she and baby have been healthy to this point. Please pray for a smooth delivery and transition to being a family of 8.

Our fruit abounds to your account! Thank you for all your prayers!
