"Reaching Australians with the Gospel and teaching them to observe all things Christ has commanded us to do."

August 2026 Prayer Letter

We have applied for permanent residency! This is a huge step for our family and our future. Thank you to everyone who gave towards that large expense. We have some health checks to complete before it can be approved, but all is tracking well. God has provided every step of the way.

Our church has been looking for a more permanent meeting location. We thought we might have found one, but the city council is requiring things that we simply cannot provide at this moment—thousands of dollars' worth of assessments just to determine whether they would be willing to allow us to use the space for a church. We do not feel that would be stewarding the church's funds wisely, especially since there is no guarantee that we would get the space even after completing the assessments. So, we are continuing to trust God, look at our options, and pray. In the meantime, we are content at our current location, meeting in the library.

We had a record-high Sunday several weeks back—50 in attendance! God has brought along several new families and single adults. You might remember us mentioning Joshua's baptism when we shared that his brother, Ben, accepted Christ at the baptism. Since that letter, Ben's wife has also trusted Christ. We will have the privilege of baptizing them together next month. Both are being discipled and are growing in the Lord.

Our family is adjusting well to life as a family of eight. Caspian is a sweet addition to our home. We appreciate your prayers for our family in the coming days, as we have much happening. Brettney's parents will be here visiting at the beginning of September. Throughout that month, we have several inter-church activities in which we will be participating. Then, at the end of September and beginning of October, I will be flying to Brisbane to speak at the National Baptist Fellowship and then to the US to officiate my sister's wedding. It will be a very quick trip to the States, but I am excited to see family and report to our sending church. Pray for Brettney and the children as they hold down the fort at home and wrap up their homeschool year.

Thank you for your faithful support, prayers, and giving. It is a joy to partner with you to reach Australians with the Gospel!
