"Reaching Australians with the Gospel and teaching them to observe all things Christ has commanded us to do."

BRAZZELLS TO AUSTRALIA

October 2026 Prayer Letter

The past two months have been full of God's blessing. Praise the Lord! This has been a sweet season for our family and ministry for which we are grateful.

September began with a visit from Brettnay's parents. Though we may not get quantity time together, we do get quality! They were the biggest help and blessing to us during their stay.

The month also held many events for our church as we particiapted in several young adult events with our sponsor church and had the baptism of Ben and Chloe- our first married couple to be baptized together! Please pray for Ben's mum, Marie, as she is not saved but has clearly heard the gospel.

At the end of September into October, I was able to attend Australia's National Baptist Fellowship meeting where I had the opportunity to speak to several hundred young people. From there, I flew to the States to officiate my sister's wedding. Though it was a very brief trip, I enjoyed my time with family and had the opportunity to give a minisry update at our sending church, my parent's church, and Brettnay's parent's church. We thank the Lord for keeping each of us safe and healthy during my time away from Brettnay and the kids.

The day after I arrived back in Sydney, Living Waters Baptist Church celebrated our third anniversary. We had 48 in attendance, and it was a day of delighting in all God has done in our church! The rest of the month has been Missions Month. Through the giving of our people, we have been able to support a couple headed to the United Kingdom for a year now. We also hosted a missionary family to PNG and have taken them on as our second financally supported missionary. Being missionaries ourselves, it is such a full circle blessing to see our church plant seeking to be a worldwide blessing just as you all are to us!

As the Australian summer draws near, Brettnay and the kids are wrapping up another year of homeschooling. It is such a joy to be able to be so involved in the education of our children and have the opportunity to watch them learn and grow. They have learned so much this year, and we are grateful for all their hard work.

We continue to await the approval of our permanent residency. To our knowledge, we have submitted everything required of us. Any day we could hear that it is approved. Continue to pray with us that this will happen soon. We plan to pursue getting citizenship here once that has went through. This will afford us many opportunities and make travel easier.

Our hearts are forever grateful for each person who so faithfully gives and prays for our work here in Australia!
